

MAYEN LOTTON

Expert 20 km 160 min 1700m ±

This expert level tour will take you directly to Jeur Brûlée, the highest hamlet in the town of Fully. After successfully climbing the steep slope and countless turns, the panorama will be something indescribable. Then, the technical and entertaining descent will bring you directly to Mayen-Lotton.

During this tour you will also cross the Follatères Nature Reserve, one of the most diverse regions of the entire Alpine arc.

WHAT TO SEE?

Mayen Lotton

This 879-metre-high hamlet was home to about 40 people, its vineyards are characterized by its proximity to precious forests and some rare species such as wild peas of Fully.

Jeur Brûlée

The landscape that Jeur-Brûlée offers you is special. After climbing to 1525 meters high you can admire a breathtaking view of the Mont-Blanc .

RECOMMENDATIONS

The nature reserve of national importance of Follatères awaits you to know one of the most diverse regions of the whole Alpine arc.
